

Pat Kelly, President, Kelly Builders Carolina

Dear Robert and Brian,

Thank you for your hard work and endless dedication in putting together the website for our newest home on Isle of Palms. I am very proud of the work you both did and I am very proud to present the website to the real estate market as my primary source for the marketing of L'Escale. Thanks for your creativity and your very, very conscientious approach in everything you do.

Sincerely,

Pat Kelly
